As a RTPCR Tech. in Molecular Lab. My exp. was great while persuing my education at Adarsh Institute of Paramedical Science Bhosari. Thanks to everyone who guided me in an appropriate manner and also motivated me for my successful achievement. Special Thanks to Dr Kishor Dhokale sir who gave me the right way of knowledge and showed me the right path of Success.

## **AISHWARYA YADAV**

Radiographer- Sutar Hospital, Pune. I am doing B.VOC MIT in Adarsh Paramedical Institute. I feel fortunate to be a student of this college. We are blessed with very senior and experienced faculty. We get plenty of opportunities to develop our all-round personalities not only through excellent academic atmosphere but also through various medical health check-up camps and cultural activities. I also had a good fortune to get trained in Sutar Hospital, Pune in my OJT for CT-Scan and MRI. It inculcated in me great discipline and values which ultimately helped me to develop my self as a Radiographer. I had really an immense practical learning from this module.

## **AKSHAY GUNJAL**

I am akshay gunjal .I did diploma in lab technician from adarsh institute of paramedical science bhosari.now I am owner of my own laboratory in alephata , rajuri ,narayangam, manchar i also started nabl accreditation lab at manchar with my friend urban care diagnostic thank to Dr kishor dhokale for supporting me and providing me best knowledge.

## **PRASAD CHAVAN**

Designation- Lab owner of Pathkind Pathology Lab, Pune Adarsh Paramedical Institute is an excellent institute to live and learn. My experience here has been so great as I had so much practical exposure of my field because of the campus facilities & on the job training from expert faculty. Here we get hands on training in lab equipped with top quality technical instruments.

# TESTIMONIALS

## MAJID ZAMEER KHAN

Designation- Laboratory Technologist and Blood Bank Scientific Officer in Saideep Healthcare & Research Pvt Ltd, Ahmednagar. My experience at Adarsh Paramedical Institute is great and memorable. I would like to express my sincere gratitude to college for helping me to excel in my career interest. The college has a very conducive atmosphere for education. The expert faculty made me Industry ready while the placement training helped me enhance my soft skills which made me stand out from others. Thank you.

## DATTA KALEL

I had most enriching experiences in terms of learning practical course B.Voc MIT. The staff is very supportive and are always trying to improve student experience. The course itself is also really well-structured and lecturers provide all kinds of learning resources to help us consolidate knowledge in different ways. I gained transferable knowledge that can be applied to real world scenarios. They are always happy to help with clarifying any information and they genuinely want to help us do well – it is nice to feel that they care!

## ROHAN TAKAWALE

It was my immense luck & fortune to be the part of Adarsh Paramedical Institute where I can grow. The entire faculty & department leaves no stone unturned to shape one's future. My three years at API have been a wonderful experience of learning and prolific exposure to outside. Their efforts make me to count myself into better professionals. B.Sc In Laboratory Technology. Placed – Lupin Limited, Pune.

## HARSHADA JADHAV

Adarsh Paramedical Institute has been a great contributor to the development of my personality. I have established my leadership, time management and team skills & have also been able to advance professional skills to the whole new augment level. This is a treasure of life. Post Graduation Diploma In Medical Laboratory Technology Placed – A. G. Diagnostic, Kothrud, Pune

## POOJA SWAMI

My three years experience at Adarsh Paramedical Institute were great & a memory to cherish for lifetime. It was full of learning & grooming oneself. It gave me an opportunity to become a laboratory technician I am thankful to all the faculties & mentors at API. B. VOC In Medical Laboratory technology Placed – Krsnaa Diagnostic, Pune

## SHUBHANKAR MORE

"Think Different, that is one thing that Adarsh Paramedical Institute urges in and to far extent succeed in teaching to its students which invariably helps to achieve what you need. It nourished me and thus gave me an opportunity to define me. Diploma In Medical Laboratory Technology Placed – PH Diagnostic centre

## SHWETALI BHAGWAT

Laboratory Technician, BD-Biopath Pvt Ltd. Adarsh Paramedical Institute is a student oriented educational hub and I am very lucky to be a part of this Institution. Our college offers various allied health care courses. The course has been good, I have enjoyed because of the way the modules are scheduled. There is a lot of flexibility, so you can do other things. I really enjoyed it. Particularly the practical and the theory aspects, when I came here at Pune, everything was new to me but as the time goes on, I am now enjoying my studies. The API facilities and location were also deciding factors. It is the place for achievements and academic success. I decided to join the Adarsh Paramedical Institute because the course addressed modern academic aspects of health care course.

## BHIMRAO RATHOD

I have never been more immersed in a class than I was in API. Not only did we learn in the classroom, but outside we built a real business from the ground up. I learned every step in taking an idea to the real start-up world. Take API, you will be challenged and inspired. B.Sc In Laboratory Technology Placed- BMR Clinical Laboratory
